

DEK Pre-Saturated Wipes

Designed for fast, efficient and effective cleaning of stencils, adhesives and general cleaning applications, DEK pre-saturated cleaning wipes are ideal for quick clean-up on the line.

DEK IPA/DI Wipes

Pre-saturated wipes for general cleaning applications. Cleaning solution comprises 70% Isopropyl Alcohol/30% De-Ionised Water. Excellent for removal of fluxes, light oils, polar soils and white mineral residue. Features low-residue formulation and rapid evaporation.

DEK Stencil Clean Wipes

Designed for fast, efficient cleaning of surface mount stencils and screens. Non-abrasive fabric, pre-saturated with hydro-treated Naphtha, effectively cleans most commercially available solder pastes and inks. Spill proof container permits non-regulated shipping.

DEK Adhesive Remover

Quickly and efficiently removes adhesives from surface mount stencils and screens. Specifically designed for use in SMT processes, DEK Adhesive Remover Wipes are compatible with most commercially available adhesive formulas. Controlled evaporation, particle free cleaner. Spill proof packaging permits non-regulated shipping.

DEK Hand Cleaner Wipes

Pre-saturated, disposable Hand Cleaner Wipes for use in any environment where cleanliness is required for handling critical components. The environmentally-safe, citrus-scented, low-linting wipes are easily dispensed and dry quickly.
